

## KET terminal block label

### Product information

KET - for terminal manufacturers ABB, ABB Entelec and Schneider.  
High-quality, halogen-free snap-in label plates. Labels available for mounting individually or in strips.

The large printable area at the top allows room for individual project and terminal block reference, dispensing with the need for additional organisational systems.

Color: White  
RAL equiv.: 9016  
Base plate: GP4E

## KET terminal block label

### Material properties

Polycarbonate (PC)

### Thermal properties

Temperature / temperature range -40 °C – 130 °C

### Fire properties

Fire classification V0

### Technical information

Halogen-free

### General technical data

Individual and strip mounting

### Assembly method

Snap-fit system

Strip system

### Labelling technology

Plotter

Laser devices

Inkjet
